

Food That's In When School Is Out

Free Summer Meals

F☀️r Kids!!

When school lets out, the Summer Food Service Program offers summer activities and FREE nutritious meals to children ages 18 years and younger! Children attending “open” sites in eligible neighborhoods can participate without completing any application papers.

- ☀️ All meals meet the Dietary Guidelines for Americans, so you know your child will be eating a healthy meal.
- ☀️ Many sites offer fun and supervised activities for your child during the summer!
